Subject: LATEST UPDATE: Superfund Site Briefings on Sam's Calendar (April 2011)  
Date: 04/06/2011 04:05 PM

**NOTE: This is the same list that was originally sent out on March 31, 2011. I am following instructions to send this out to the Superfund Division and the Regional Council - Superfund Branch.**

- Per Sam & Pam's instructions, the site briefings are to be conducted in alphabetical order on Wednesdays and Thursdays for our Branch (not by Section), there should be 6 sites per briefing, and take about 10 minutes per site.

**RPMs:**

- Come with your site's critical path schedule, 1-page fact sheet, and visual of site (power point or map).
- Please pull together the site team to prepare for these briefings and have those team members with information to report ready to attend these briefings.

**Here is a list of the April Site Briefings with Sam and Pam (set up for Wednesdays from 2:00 - 3:00 p.m. & Thursdays from 3:00 - 4:00 p.m.). These meetings will be in Sam's conference room.**
